Agency Totals	3,818,155	
Oregon Watershed Enhancement Board - OWEB		
Local Capacity-Watershed Councils and SWCD Funds provided to the Necanicum Watershed Council and North Coast Watershed Association to support community efforts to protect and enhance clean water and healthy habitats for fish and wildlife. Funds provided to local Soil and Water Conservation Districts support implementation of Agricultural Water Quality Management Area Plans. This project includes providing outreach and technical assistance intended to improve landowner involvement in conservation activities that enhance water quality and salmon habitat.	138,195	
Outreach and Education Funding to support the Watershed Stewardship Project for local schools in Clatsop County. This program provides classroom lessons, field experience, and service opportunities to engage students and community members in activities that increase understanding and appreciation of their local watershed.	22,700	
Restoration Twenty-one grants provided funding for a variety of restoration projects that include improving water quality, removing invasive weeds, rehabilitating riparian areas, and improving instream habitat and fish passage. For example, a failing culvert along Coho Creek was replaced with one that allows access to quality spawning and rearing habitat for salmon.	1,081,270
